

## **BTO Solicitors LLP**

### **General Information for Applicants**

BTO is an independent, innovative and well respected Scots law firm. Many of its teams are top-ranked by independent legal directories and the firm has enjoyed steady growth over the last decade across all sector areas.

The firm provides first class legal services and caters for the full range of Scots law needs for our commercial and private clients, with access to international legal advice through the Mackrell International network (<http://www.mackrell.net/>) and other contacts. Clients range from major insurers, to medical defence organisations, manufacturers, retailers, financial institutions, house builders, public sector organisations, charities and individuals.

Types of work undertaken: commercial and insurance-related litigation, corporate law, commercial, real estate and residential property, corporate and personal criminal defence, employment, private client and family law services. Niche teams include: Advantage advocacy service, banking, construction and engineering, creative industries, crisis management, data protection, education, family law, fertility law, insolvency, intellectual property and technology, occupational illness, recoveries, regeneration, regulatory and criminal defence, renewable energy, reputation management, rural business, third sector, social housing and sports law.

**"The culture in the firm is second to none and all the solicitors have the highest regard for client service."** (The Legal 500)
